- Less paperwork and super simple contracts
- 100% financing including freight, tooling and accessories
- An Industry leader specializing in manufacturing equipment
- Transactions from \$10,000 to \$2.5 million
- Application only up to \$350,000 per machine – no financials!
- Easy application - no fee to apply!

"We manufacture screw machine parts, molds for convoluting tubing for the automotive industry, aluminum tubing for heating elements for coffee pots, and various parts for lamp fixtures, such as toggle switches. Intech was recommended to us by an industry colleague four years ago and we have been with them ever since."

*Precision Machine Shop,
El Paso, TX*
